

Funding Sources:

Highlands and Islands Climate Hub

<https://hiclimathub.co.uk/>

Funded by the Scottish government to support community-led climate action.

Funding Scotland

<https://funding.scot/>

Service provided by Scottish Council for Voluntary Organisations to provide access to funding opportunities for third sector organisations in Scotland.

Foundation Scotland

<https://www.foundationscotland.org.uk/>

Helping people and organisations fund good causes, strengthening Scotland's communities and creating a lasting impact.

Highlands and Islands Enterprise

<https://www.hie.co.uk/support/browse-all-support-services/netzerosupport/>

Support available to help businesses, social enterprises and communities transition to net zero.

The Conservation Volunteers

<https://www.tcv.org.uk/>

Bring people together to cream, improve and care for green spaces. Have a quarterly funding update for environmental grants.

Scottish Communities Climate Action Network

<https://sccan.scot/support/funding/>

Highlight funding opportunities in monthly newsletter.

Highlands & Islands Environmental Foundation

<https://hie.f.scot/grants/>

Provide grants three times a year.

2050 Climate Group

<https://www.2050.scot/>

Empowering young people in Scotland to lead action on tackling our climate crisis.

Visit Scotland

<https://www.visitscotland.org/supporting-your-business/responsible-tourism>

Responsible tourism resources and guidance to help make your business more sustainable and green certification schemes.
